

THE CRY Words by *Tracey Chia*
Music and Arrangement by *Paulo Garganta*

What's the meaning of this?
It doesn't make any sense to me
My life which was worth living
Is now spinning
Out of control

What have I done wrong?
Is this some punishment for me?
I cannot understand what I see
Where do I go?

CHORUS

Weren't these the plans You put in me?
My thoughts, my dreams, abilities
Oh God, why this disruption?
This boulder on my highway
Now everything could end
Why did I even start at all?

CHORUS

Or maybe...
You're calling me to Yourself
When was the last time I met You alone
Is this what they mean
I've lost my first love
The Giver of my plans
The Lover of my soul
Oh Lord, I come home
